ABOUT DEUTSCHER HEALTHCARE

Deutscher Healthcare is a manufacturing company based in Ballarat, Victoria and has been in continuous operation for over 114 years. In earlier years, the parent company, HF. Deutscher Pty. Ltd., specialised in farm equipment and later moved into producing a range of mowers and outdoor power equipment, some of which is still manufactured today. The company is still owned and operated by the original family.

All products are designed and manufactured to a high quality, using first grade materials to ensure the product you buy meets Australian standard requirements; is safe, reliable and built to give trouble free service for many years to come.

For more information, speak with one of Deutscher's friendly staff about your needs and requirements.
