PEEP THE PROMPT

Subject: Earth, Moon, and Sun in a syzygy, aligned amidst the vast cosmos, with a solar eclipse casting a sharp shadow on Earth. Style: Photorealism fused with gothic sci-fi and Baroque, drawing inspiration from Bekskinski and Caravaggio. This approach emphasizes the ethereal vastness around the alignment, adorned with fractal patterns and cosmic colors. Details: Earth foregrounded as a delicate blue marble, shadowed subtly to highlight continents and oceans. The Moon, centered, casts a dark umbra on Earth, depicting the path of totality. The Sun, in radiant oranges and yellows, forms a stunning corona effect around the Moon. Composition: The celestial bodies are aligned against a backdrop of space, enriched with Bekskinski-like surrealism and Caravaggio-inspired chiaroscuro, photorealistic, Depth of Field | Action Scene | Natural Lighting | Subject | Centered-shot | 22 Megapixels | Shot on IMAX 70mm | Detailed | Elegant | Perfection | Shimmering | Prespective, HDR, 8k, high resolution

PEEP THE PROMPT 🖐️

Subject: Massive black hole, inspired by Bekinski's gothic surrealism and Caravaggio's dramatic light. Style: Photorealistic with gothic-sci-fi and Baroque influences. Details: Centered black hole, embodying the eerie, majestic force of the cosmos, framed in Bekinski's apocalyptic style and Caravaggio's intense chiaroscuro. Space is alive with swirling galaxies and ethereal light, capturing the sublime terror of the universe. Composition: 8K HDR, Depth of Field, Action Scene, Natural Lighting, centered-shot, 22 Megapixels, shot on IMAX 70mm, detailed, elegant, perfection, shimmering, with a perspective that dramatizes the black hole's gravitational pull. Render: The scene merges the haunting beauty of infinite space with the artistic depth of Bekinski and Caravaggio, creating a captivating, high-resolution image that invites viewers to ponder the cosmic ballet of light and darkness.
