

UNIT 2

7 — Dig Into Our Charts by TRADEway Tutorials & Trainings!

We want you to be as **proficient** with our charting platform as possible, because that will be your GO-TO place for **picking** AND **executing** your trades! Check out these videos by visiting your BasicTrader Orientation Page here: www.tradeway.com/basictrader-orientation

8 — Let's Start Paper Trading!

Great job on getting to this stage of your trading journey! **It's about to get REALLY fun**, because it's now time to dive into **Paper Trading** (or Virtual Trading). This is a way for you to **PRACTICE the strategies that you've learned**, and get a feel for making decisions, BEFORE using real money! You can implement Paper Trading in two ways: 1. Using PAST charts or 2. "paper trading" the real-time market. You can watch a helpful tutorial on how to setup your Virtual Account by checking out your Orientation Page at www.tradeway.com/basictrader-orientation!

9 — View the "TRADEway Journal Series"!

You now have a GREAT understanding of the TRADEway system for Stock & Options Trading...how about getting a first-hand look at the system AT PLAY? In this series, two of TRADEway's team members walk through their own past trades and what happens when the **rules are KEPT or BROKEN!** (**Login to account.tradeway.com and click "Online Learning" to view this course!**)

UNIT 2

10 — Level-Up With Our Home Study Courses!

With a solid stock education under your belt, and LOTS of weekly interaction with Coaches and fellow students, now would be a good time to get into some of the concepts you're already familiar with, but **from a fresh angle!** By viewing our Home Study Courses, you'll be able to take your knowledge of things like secondary indicators and stock bases to the next level! Go take a look at our courses "Base Breaks" and "Turn Signals." They come with workbooks and quizzes to ensure you're understanding the material. **(Login to account.tradeway.com and click "Online Learning" to view these courses!)**

11 — Make A Progress Post in the Online Community!

You're doing AWESOME so far! Next up, go to community.tradeway.com, and **make a post** updating everyone on your progress! If you're in the need of encouragement and edification, look no further than your fellow TRADEway students and the TRADEway team. Keep up the great work and congrats on completing **Unit 2** of your BasicTrader Orientation!
