Jo Jo's Fee Structure

Fee's

We accept Debit Card, Cheques (made payable to Jo Jo's Day Care Nursery), Standing Orders, Cash and Various Childcare Vouchers/Government Schemes. *We do not take credit card payments.*

Fee's are payable in advance on the 1st of each month for the month ahead. It is the parents / guardian responsibility to pay, not the setting to remind after invoice has been produced.

Fee's received after 5 days of the 1st will be subject to a £25 late charge.

If payment of fees is outstanding more than 10 days after the 1st of the month then the nursery reserves the right to serve 10 days' notice in writing to terminate the contract or change the hours.

If you are accessing your Free Early Education sessions and have wrap around hours, we reserve the right to reduce you to your Free Early Education sessions only if payment from wrap around hours is not paid by the 1st of the month. Please be aware your funded hours could be changed due to this.

Parents / Carers will receive 28 days' notice in writing of any increases.

If any parents are having financial difficulties, then please notify the accounts department by the EyParent App, where individual short payment plans could possibly be arranged.

Holidays and Absences

The nursery is open for 50 weeks of the year, closed for one week at Christmas and all bank holidays. There will be no charges for during these holidays.

50 weeks attendance will give two weeks holiday entitlement (*example: 3 days a week attendance would give 6 days holiday entitlement*) per eligible child per academic year.

Children who are 'Term Time Only' do not qualify for the holiday discount.

Jo Jo's Day Care Nursery does not provide reductions or refunds for absence however caused unless the setting has not been open for any reason.

Claiming the Free Entitlement

The eligibility criteria for the Free Entitlements and further information for parents can be found on the Kent County Council website:

Universal Credit

If you pay for childcare while you go to work, Universal Credit can pay some of your childcare costs. This includes holiday clubs, after-school clubs and breakfast clubs. If you live with a partner, you both need to be working, unless your partner cannot look after your children.

You have to pay for your childcare costs yourself upfront. Then you report them to Universal Credit, and Universal Credit pays some of the money back.

You will only get the money back with Universal Credit after the childcare actually happens.

If you pay for childcare after it's been provided, they usually pay back your costs in the same [assessment period](#) that you report them.

You should try to arrange monthly payments with your childcare provider and report those costs as soon as they are paid. This should mean your childcare costs are included in your Universal Credit every assessment period.

You may be able to claim previous childcare costs if you paid for them in your current assessment period.

You can also claim up to 3 assessment periods of future childcare costs at a time if you have paid these costs up front already, and you have proof of those costs. This includes the assessment period in which you pay the childcare costs. They will pay these costs back over the assessment periods for which they apply. They will not be paid back in one lump sum.

You can get up to 85% of childcare costs paid back to you. The maximum amount for each assessment period is:

- £1,071.09 for one child
- £1,836.16 for 2 or more children

Lateness

Children must be collected promptly before the end of their nursery session.

The last pickup and handover time is 6.00pm.

It is regretted, but additional charges will be levied to cover staff costs for children not collected on time.

Charges for collection after the contracted session times, who have not booked in for 'Extra' with management, will be charged £5 standard charge and then £1 for every 1 minute the parent / carer is late. (Not pre-arranged).

You are expected to be onsite no later than five minutes before your collection time.

This does not allow if the car park is full and you need to find alternative parking. Please allow time for this.

So if your collection time is 12:00 but you do not drive onto to the setting car park until 12:05, you will be charged £10.00 in total. 12:08, you will be charged £13.00 in total and so on.

Please also be aware that the site has camera. So at no point are day staff to be approached if management have stated a late payment fine.

Notice of Termination of agreement

Please note: to withdraw/reduce your child from the nursery we require written notice one full calendar month ahead of the withdrawal date (*i.e. if notice is given part way through a month you will be charged to the end of that month plus a clear calendar month*).

If the required amount of notice is not given and you remove your child without notice, we have the right to charge for the month's nursery fee's and your deposit will be retained.

During the last term before your child goes to School, you are unable to terminate your contract or change hours.

We have limited spaces for Term Time only children. Spaces are only available to those parents / carers who are employed within the education system.

If you want to withdraw your child before they go to School, then you would have to apply for 'Term Time Only' in Term 1 or 2 (Sep - Dec). *Subject to availability.*
