ABOUT FAMILY CENTERED SERVICES OF CT

Family CT's mission is to ensure families are safe and nurturing places where children can succeed.

With 11 different programs, we work with children & families in the Greater New Haven community in a variety of different ways.

WHAT IS A BOARD AMBASSADOR?

The mission of the board ambassador group is to encourage philanthropy and social activism while recruiting and engaging young donors & volunteers to support the overall mission & activities of Family CT.

We are recruiting for our target audience of young professionals, (ages 25-40), who live or work in the Greater New Haven community, with the means and social network, who will commit to **organizing** and **attending** fundraising events to benefit Family CT.

Becoming a board ambassador is a chance to give back and make a difference in the lives of children and families in the community.

You will have the opportunity to meet new people, attend fun social gatherings, network with other young professionals from various career fields, gain project management skills, and enhance your resume.

There are no prior experience or skills needed - just a commitment to the cause and a willingness to share the Family CT mission with your circles.
