Greece Odyssey - Quiet time!

This Greece quiet-time cruise avoids the hot sun - as well as crowds. It sails in the winter months - at a fraction of the regular Viking price! Imagine walking through Ephesus with no lines. Tour the entire Acropolis site without the crowds and heat - you are the only people there. When you arrive in Santorini, it will be cool and uncrowded. It's a completely different experience during quiet time - and you cruise in Viking luxury for roughly half the price. The weather is cooler and this is a big plus. The highs in Greece average 12-15C during the day. Pleasant, Spring weather! January, 2027, is \$5699 CDN/person. If you can go this December, it's just \$4499 CDN/p. Viking includes all tours and arranges all flights for you! Book this great deal today!

The weather is great now, but we all know what's coming. We just love this deal! The Caribbean's ABC islands are Aruba, Bonaire and Curaçao. Located just off the coast of South America, these islands enjoy the finest weather in the Caribbean. The ABC islands enjoy a multicultural flavor: a unique blend of Dutch, African, and Latin American heritage reflected in the local architecture, language (Papiamentu), and food. Lastly, they offer powdery, white beaches with Stunning Waters - crystal-clear turquoise seas with world-class snorkeling and vibrant coral reefs. Itineraries to the ABC islands are rare. Every stop on this trip is fantastic and you'll enjoy them all during the peak weather season of the year. Celebrity's Eclipse is part of Celebrity's popular Solstice class of ships. At just over 2500 guests, she's the perfect size - large enough to offer many dining & entertainment choices, but small enough to avoid crowds and lines. Enjoy the best weather of the year! Call us today to book!

- * Includes Roundtrip air from Vancouver (other airport- ask us!)
- * 12 nights aboard Celebrity's Eclipse!
- * Celebrity Beverage Package + onboard WiFi!
- * All transfers (on ship days) & taxes - total charges!

Caribbean -11 nights - February!

Just when our weather here at home will be at its worst, here's a little sunshine to warm you up! Jan/Feb are the best months for the Caribbean. Sunny, warm, but not at all humid - like a beautiful Spring day! Enjoy our most-loved, South-Caribbean stops. Dock in each island, no tendering - getting on and off the ship is a breeze. Barbados really offers a unique experience at Harrison's Cave Eco-Adventure Park. Journey deep underground on the iconic tram tour, taste Barbados through the Mount Gay Rum Experience, conquer the Monkey Zipline, or simply unwind on nature trails or by the pool. The park won the Tripadvisor Travelers' Choice Award in 2026! Of course, swimming in St. Maarten is the highlight of any Caribbean trip for us - white sand, warm, blue water and just a short stroll from the ship! Call us today to book!
