

Dear DMSC friends and family,

Over the past five years, our success has been built on the generosity of people just like you. It shows up in so many ways.

- You volunteer your time to help coach our youngest players.
- You make a small but mighty donation to our financial assistance program, ensuring that nearly **200 children** have a chance to play.
- You give a teammate a ride to practices or games.
- You cheer for every team and player, not just your own, after game-winning goals and in tough moments too.

JUSTIN WRIGHT

You are the *heart of DMSC*. Thank you.

At our Heart of Goals anniversary event, our **DMSC Board** pledged a \$5,000 gift to the club. Following the event, we received a **\$5,000 matching gift** from a Des Moines business. It gets better. I am thrilled to announce that we've received an *additional* pledge of \$5,000 from a second business!

You can keep the giving going.

If you believe in our mission to help our players learn, grow and realize their potential on and off the pitch, make a matching donation this Giving Tuesday! With your help, we can match this latest pledge of **\$5,000** by **Dec. 31**. Any size of gift makes an impact. Simply make a donation via [Playmetrics](#) or [Venmo](#). All donations are 100% tax-deductible.

This Giving Tuesday, we invite you to show your *heart of goals* and help us continue building a soccer community rooted in kindness, generosity, and connection.

With gratitude,

James Spiller
