

The Role: Experienced Litigation Lawyer, WA regional lawyers welcomed !

We are looking to build our team and have work available for **Experienced Litigation Lawyers** who can handle a wide range of commercial dispute matters. Must be registered with the Legal Practice Board WA.

The successful candidate will have a desire to become an integral part of our legal practice, even if you are not physically in the office ! Regionally located, remote working is embraced as are flexible working hours or part-time opportunities.

About us:

We are a small, collegial team with a prominent profile and established reputation in Commercial law, and associated Litigation.

- Company restructures, Trusts & Deeds
- All manner of property matters
- Land access – mining and oil and gas and wind farm proponents
- Commercial Contracts, Transactional Law
- Wills & Estates
- Employment, Workplace & Worksafe

Our values of integrity, relationships and commitment to our clients are key foundations in our firm. We have a keen focus on quality and relationship building and are looking for someone with a long term investment in building the Firm and developing their practice.

We are exploring expansion opportunities, with regionally based Solicitors including private merger possibilities.

About you:

You are a resilient, experienced lawyer with at least 6 years' experience and the capability of managing your own matters and files. You are looking for an opportunity that allows flexibility and autonomy, while still providing team support. You are 'hands-on' and enjoy engaging directly with clients.

You are a lawyer because you enjoy the challenge and strategy and have a commitment to helping people resolve their matters.

Working conditions and remuneration are negotiable for the right person, as is the opportunity to step into partnership or build a regional office.

Please contact Jessica on admin@bailiwicklegal.com.au to discuss this opportunity.
