

# Kovar Corrente®

Nonionic Surfactant | Drift Reduction Agent | Deposition Aid | Penetrant

## ADVANCED ADJUVANTS

BY NACHURS ALPINE SOLUTIONS

### PRINCIPAL FUNCTIONING AGENTS:

Methylated seed oil, Ethoxylated sorbitan fatty acid ester  
and Seed oil ..... 56.4%

### % By Wt

### GENERAL INFORMATION

Kovar Corrente® adjuvant increases uniformity of leaf coverage and improved the penetration of waxy leaf cuticles. This can lead to more consistent performance of the pesticide by increasing its absorption and translocation into the plant. Kovar Corrente also acts as a deposition aid ensuring better coverage of the leaf surface and a reduction in driftable fines.

Effectiveness of the product can be affected by several conditions such as water hardness, application method, equipment, spray drop size, spray nozzle selection, or condition or size of foliage. Careful observation of spray deposition will indicate if rate adjustments are required to ensure thorough coverage without excessive runoff.

This product is suitable for use in agriculture, turf, forestry, ornamental, aquatic, and non-cropland environments.

### DIRECTIONS FOR USE

Kovar Corrente® is registered to be used at a rate of 1-2 quarts per 100 gallons of spray mixture when applied by ground. When applied by air use 1% v/v concentration but not less than 4 fl oz per acre.

Higher rates are advised when applying under adverse conditions only if the pesticide permits use of higher rates. In such cases do not exceed 5% v/v concentration.

When using on sensitive crops, first treat a small test area to determine if there are any adverse effects on the crop before treating entire crop area.

Add other adjuvants/surfactants/pesticides to the spray tank and agitate before adding Kovar Corrente unless otherwise directed by the pesticide label. Continuous agitation is recommended and remixing if product has been allowed to stand before use. Apply within 24hrs after mixing.

Review both the adjuvant and pesticide label before use. Recommendations and restrictions on the pesticide label take precedence over any recommendations presented on this label. Kovar Corrente may be applied by ground, air or other spray equipment that is listed on the pesticide label.

### STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage and disposal.

**STORAGE:** Store away from incompatible materials.

**PRODUCT DISPOSAL:** Dispose of waste in accordance with local authority requirements.

**CONTAINER HANDLING:** Dispose of container in accordance with all government regulations. Triple rinse (or equivalent), then offer for recycling, if available, or reconditioning, if appropriate. Alternatively, puncture and dispose of the container in a sanitary landfill or other procedures approved by state and local authorities. The ACRC (Agricultural Container Recycling Council) operates a national recycling program. To contact your state or local ACRC recycler, visit the ACRC web page at [www.acrecycle.org](http://www.acrecycle.org)

### CONDITIONS OF SALE AND LIMITATION OF WARRANTY AND LIABILITY

NOTICE: Read the entire Directions for Use and Conditions of Sale and Limitation of Warranty and Liability before buying or using the product. If the terms are not acceptable, return the product at once, unopened, and the purchase price will be refunded.

**ALL STATEMENTS MADE HEREIN ARE SUBJECT TO APPLICABLE LAW, AND TO THE EXTENT THERE IS ANY INCONSISTENCY OR CONTENTION, APPLICABLE LAW SHALL GOVERN.**

The Directions for Use of the product must be followed carefully. It is impossible to eliminate all risks inherently associated with the use of this product. Crop injury, ineffectiveness, or other unintended consequences may result because of many different factors including, without limitation, manner of use or application, weather, combination with other products, or crop conditions. All such risks shall be assumed by Buyer and User, and Buyer and User agree to hold Manufacturer and Seller harmless from any claims relating to such factors.

**Seller warrants that this product conforms to the chemical description on the label. EXCEPT FOR THIS WARRANTY, THE PRODUCT IS FURNISHED "AS-IS", AND NEITHER SELLER NOR MANUFACTURER MAKES ANY OTHER WARRANTIES, EXPRESS OR IMPLIED, WITH RESPECT TO THE SELECTION, PURCHASE OR USE OF THIS PRODUCT; SELLER AND MANUFACTURER SPECIFICALLY DISCLAIM ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE BEYOND WHAT IS STATED ON THE LABEL. Buyer and User accept all risks arising from any use of this product, including without limitation, uses contrary to label instructions, or under conditions not reasonably foreseeable to (or beyond the control of) Seller or Manufacturer.**

Neither Manufacturer nor Seller shall be liable for any incidental, consequential or special damages resulting from the use or handling of this product. THE EXCLUSIVE REMEDY OF THE BUYER OR USER, AND THE EXCLUSIVE LIABILITY OF MANUFACTURER AND SELLER, FOR ANY AND ALL CLAIMS, LOSSES, INJURIES OR DAMAGES (INCLUDING CLAIMS BASED ON BREACH OF WARRANTY, CONTRACT, NEGLIGENCE, TORT, STRICT LIABILITY OR OTHERWISE) RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT, SHALL BE THE RETURN OF THE PURCHASE PRICE OF THIS PRODUCT, OR, AT THE ELECTION OF MANUFACTURER OR SELLER, THE REPLACEMENT OF THE PRODUCT.

These Conditions of Sale and Limitation of Warranty and Liability shall be interpreted, unless otherwise required by the law of the state of purchase, in accordance with the laws of the State of California, excluding its conflicts of laws rules, and may not be amended by any oral or written agreement.
