Sharing Memories...

and telling the story

of a special life

Saying Goodbye

It's never easy, but saying goodbye is an important, natural and healthy part of the grieving process.

Our caring staff can help you decide the most appropriate way of honoring your loved one, from a more traditional public ceremony joined by family and friends to a private, meaningful time spent with just your immediate family.

Regardless of how you choose to say goodbye, our professional staff is always ready to serve.

Sharing the Story

A caring parent, a lifelong companion, a close family member – every life tells a story.

Our staff will help you share that story in a unique and appropriate way. We believe in honoring the life of the individual by recognizing how they touched the lives of others. This is a story that we all have to share.

General Price List

**These prices are effective as of December 15, 2025
But thereafter subject to change without notice**

The goods and services shown on the General Price List are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

How to Use This Price List

We are dedicated to providing the best services at the most reasonable cost. The cost of a funeral is comprised of many individual charges and is determined by the choices a family makes.

Our services are divided into seven main categories:

- ◆ **Preliminary Services**
- ◆ **Care and Preparation of the Body**
- ◆ **Facilities, Staff, and Equipment**
- ◆ **Automotive Equipment**
- ◆ **Burial/Cremation Merchandise**
- ◆ **Cash Advanced Items**
- ◆ **Simple Services**

No matter what your funeral preferences, your funeral director can help you with every aspect of the funeral process. If you want to design your own type of service, you may start with Preliminary Services (our Basic Services fee is mandatory, but everything else is your choice), then add what you would like from Care and Preparation of the Body; Facilities, Staff, and Equipment; Automotive Equipment; Burial/Cremation Merchandise; or Cash Advanced Items.

If you'd like simple/modest arrangements, you can find burial, cremation, and other options without ceremonies in our Simple Services category. Please tell your funeral director if there is something else you'd like to see. We'll do our very best to accommodate you.
