

# Onsite Shredding Service Now Available

## PROTECTING YOUR PRIVACY

The Doc Shop is excited to announce that mobile onsite shredding services are now available.

The benefits of onsite shredding include:

- Shredding is completed on-board the truck at your site
- Powerful on-board shredder can handle all types of office stationery like staples, clips, boxes folders etc
- On-board shredder destroys at a rate significantly faster than any office shredder
- The waste is taken to the Maryvale Mill for recycling into various products including photocopy paper
- Competitively priced yet offering a superior service
