01 / THE BIG PICTURE

Wedding budget planner

Set a spending limit, choose your priorities and update costs as quotes come in.

Total spending limit (AUD) | **Guest count** | **Wedding date**

Our three priorities

1 | 2 | 3

Cost breakdown (AUD)

Use the full price including GST and fees. Count each bundled item once.

Category	Planned	Latest total
Venue, ceremony site & permits		
Food, drinks & service		
Celebrant & paperwork		
Photography & videography		
Outfits, alterations & beauty		
Rings		
Flowers, styling & hire		
Music, sound & lighting		
Transport & accommodation		
Invitations, signage & favours		
Other costs		
Contingency reserve		
Total		

Room left in the budget (AUD)

Subtract the latest total from your spending limit.
If you spend some of your reserve, reduce it by that amount.

Keep track of what's due

Record each booking, what you've paid and when the next payment is due.

Supplier payment tracker (AUD)

Balance = agreed total minus paid to date. Enter amounts and totals manually.

Supplier / booking	Agreed total	Paid to date	Balance	Next due date

Before you book

- [ ] Get the full price including GST, travel, delivery and pack-down.
- [ ] Check minimum spend, guest count deadlines and the cost of extra time.
- [ ] Confirm what the deposit covers and when each payment is due.
- [ ] Ask what happens if you change dates or move to the wet-weather option.
