

Credit Analyzer Report for **SAMPLE CLIENT**

This report provides an overview of which accounts are **inaccurate** and **inconsistent**

Prepared by **FORENSIC CREDIT BUREAU**

📅 APRIL 02, 2026

Your Rights Under the Law

This report was prepared based on the **Fair Credit Reporting Act**. This law was put in place to ensure that credit bureaus report **100% accurate** information in your credit report. Our job is to challenge any information that is not following the **law of the Fair Credit Reporting Act**.

We Look for:

- ✓ Inaccurate information
- ✓ Inconsistent data
- ✓ Wrong and misleading information

The Dispute Process

During our dispute process, we use this report along with **your feedback** on why accounts are **inaccurate and inconsistent** to challenge derogatory information with the **credit bureaus, creditors, and collectors**.

This Credit Analyzer Covers:

- ✓ All inaccurate derogatory and positive accounts from **Experian, Equifax, and TransUnion**.
- ✓ All **negative** accounts that are inconsistent across the three bureaus.
- ✓ All **positive** accounts that are inconsistent across the three bureaus.

How to Read This Problem Report

Reading this report is simple. If you see any rows or columns **marked in red**, there's an inconsistency between the credit bureaus. The **Fair Credit Reporting Act** requires that all reported information be **100% accurate** across all three credit bureaus.

Data Must be:

- ✓ 100% accurate
- ✓ Report correctly for all **3 bureaus**
- ✓ Not misleading
