Program FAQs

What platforms are covered?

LinkedIn and Facebook content is included with all packages.

What type of content do you create?

Our content covers essential financial topics including investment strategies, retirement planning, market insights, financial literacy, risk management, and wealth building—all pre-approved for compliance.

How does compliance work?

All content is pre-approved through proper compliance channels before delivery, ensuring every post meets regulatory requirements.

Is there a setup fee?

Your one-time setup fee is \$750, which includes initial branding configuration and onboarding support to get you started successfully.

What's the contract commitment?

We require a 12-month commitment to ensure consistent results and proper return on your investment.

Can I cancel or make changes?

Changes to your package can be discussed during your contract term. Any cancellations require proper notice according to your agreement terms.

Can I edit or customize the content?

Content is delivered ready-to-publish and cannot be edited to maintain compliance integrity. You can choose to publish each post as-is or skip any that don't align with your messaging preferences.
