BARONE PIZZINI, GOLF 1927, BRUT

FRANCIACORTA, LOMBARDY, ITALY

Golf 1927 is more than a cuvée—it’s a tribute to one of Italy’s first golf courses, founded by Baron Edoardo Pizzini, and a symbol of Barone Pizzini’s legacy of innovation. As the first producer in Franciacorta to embrace organic viticulture, Barone Pizzini helped shape the modern identity of this region, championing environmental stewardship and purity in winemaking. Crafted entirely from Chardonnay, this Franciacorta offers a velvety yet precise profile—think orchard blossoms, lemon curd, and creamy almond, with a fine bead and a mineral undertow from the moraine-rich soils of Provaglio d’Iso, Passirano, and Corte Franca.

What makes it even more striking is the sense of place: nestled in the foothills of the Italian Alps, Franciacorta shares Champagne’s traditional method but delivers its own expression—mountain-cooled precision, Mediterranean charm, and an undeniably Italian soul.
