How To Plan for a Party

Here are some helpful tips for planning a Birthday Party at Tree Trekkers!

- Make sure we have **all information and payment one week in advance**. This allows us to plan for you and to deliver the best experience we can.
- Communicate clearly with your party group on times, waivers, etc.
- Make sure all of your group's waivers are complete and in the Group Waiver Management link. **Climbers and spectators all need waivers, meaning everyone on the property must have a waiver filled out.** The Group Waiver Management Link can be found in your confirmation email. Copy that link and send it to everyone attending the party. When you click that link, you will be able to see who has completed waivers and assign them as participants or nonparticipants (participants are those guests that will be climbing, nonparticipants are those spectating.)
- **Make sure everyone who is climbing is wearing appropriate attire: Athletic clothing and closed toed closed heel shoes, No Crocs!**
- Plan to bring drinks and supply food including cake if that is desired for your party.
- Make sure your guests know when to arrive, **Late arrivals may not be trained or sent through ground school with your party, they may have to wait until the next ground school training starts. Ticket end times will not be extended for late arrivals.**
- Visit our **"Hours and Directions"** page on the website to make sure you know how to get us and send directions to your guests.
- View our **"Mock Itinerary"** To see how your party schedule will go.

Frequently Asked Party Questions

Can I arrive early to set up?

You may arrive at your start time which gives you 15 minutes to set up.

Do you offer food options?

We sell water and small packaged snacks. There is a pizza place across the street called Il Forno Xpress and they do deliver. We can also place this order for you. You are welcome to bring any outside food and drink you'd like except for glass or alcohol. Bring lots of water and stay hydrated.

Is there a store nearby?

We have a Weis Grocery Store about 3 minutes away from our park for any last-minute needs. Turn right onto 144 and then turn right at the next traffic light. Weis will be on you right after the fire station.

Can I add on more climbers?

Final information including number of climbers, is required at least 1 week prior to your reservation. Additional climbers may be added 1 week in advance as long as there is space available. We cannot guarantee space for additional climbers the day of your reservation, so please plan ahead to help us and your party!

How does the payment structure work?

We will take a 50% deposit on the date of booking and then collect the rest of the payment one week in advance. The 50% deposit is a down payment into the overall price meaning you will not get that deposit back if you cancel with less than 1 weeks notice.

What happens if I cancel?

If you cancel 1 week in advance you will get a full refund. If you cancel less than a week from your reservation date, your deposit will be account credited, while the rest of the payment will be refunded onto the original payment. You may reschedule your party free of charge. Account credits never expire.
