# How To Plan for a Party

Here are some helpful tips for planning a birthday Party at Tree Trekkers!

- Make sure we have **final climber count and payments 1 week in advance**. This allows us to plan for you and deliver the best experience possible.
- Communicate well with your party group, on times, waivers, [guidelines](#), etc.
- Make sure everyone's waivers are complete and in the group waiver management link. **Everyone on the property will need a waiver; this includes climbers and spectators.**
  - The Group Waiver Management Link can be found in your confirmation email. You can copy that link and send it to everyone attending the party. When you click the link you will be able to see who has completed waivers and assign them as participants or nonparticipants (participants are those guests that will be climbing.) Doing this in advance makes check in at the park quicker and smoother. [Here is a how to attach waivers tutorial.](#)
- Make sure everyone who is climbing is wearing appropriate attire. **No Crocs!** [Full Park Policies](#)
- Plan to bring or supply food including cake if that is desired for your party.
- Make sure your group knows when to arrive, **Late arrivals may not be trained or sent through ground school with your party. Ticket end times will not be extended for late arrivals.**
- Look at our directions and make sure you and your guests know how to get to the park. Use Tree Trekkers in navigation apps, not the address. **You can visit our [“Hours and Directions”](#) page on our website.**
- View our “Mock Itinerary” to see how your party schedule will go.
- You can call us anytime with questions **301-888-8735**.

# Frequently Asked Party Questions

## Can I arrive early to set up?

You may arrive at your start time giving you 15 minutes to set up.

## Do you offer food options?

We do not offer food options, only packaged snacks and drinks. You are welcome to have catering brought in, [Prospect Pantry](#) does picnic baskets if you are interested! [J&P Pizza](#) delivers onsite. You may bring in any outside food or drink except for glass or alcohol. Please bring lots of water to stay hydrated.

## Is there a store nearby?

We do have a Weis Grocery Store about 3 minutes away from our park for any last-minute needs.

## Can I add on more climbers?

Final climber headcount is due at least one week before your reservation. Additional climbers for premium parties may be added at a discounted rate up to one week in advance if space allows. Additions with less than one week's notice are not guaranteed and will be full price. Please plan ahead to ensure a smooth experience for your group.

## How does the payment structure work?

We will take a 50% deposit on the date of booking and then collect the rest of the payment 1 week in advance. If we cannot reach you after three attempts, we will charge the card on file for the remaining balance. The 50% deposit is a down payment into the overall price, so it will count towards your total.

## What happens if I cancel?

If you cancel 1 week in advance you will get a full refund. If you cancel less than a week from your reservation date your deposit will be account credited while the rest of the payment will be refunded onto the original payment. Rescheduling is always free. Account credits never expire, can be used anytime, and for anything we sell.
