Licensee may permanently transfer this license to another user, but only if Licensee transfers or destroys all copies of the Software, and the recipient agrees in writing to be bound by all of the terms of this Agreement.

IST Management Services, Inc. End User License Agreement (EULA)

will use its best efforts to prevent Licensee's employees and contractors from doing so, except to the extent that such restriction is expressly prohibited by applicable law. Licensee may not modify, adapt, create a derivative work, merge, or translate the Software without the prior written consent of IST.

(c) Specific third-party Suppliers may be identified in the Documentation which is sold or licensed by IST. Licensee may be required to agree to additional terms and conditions specific to particular third-party Suppliers, as described in the Documentation, and are incorporated herein by reference. IST requires Licensee to 1) refrain from improper or unauthorized copying of the third-party Supplier product(s), or portions thereof, except for reasonable backup purposes; and 2) refrain from any reverse engineering, decompilation and/or disassembly of the third-party Supplier product(s), or portions thereof, save to the extent permitted under any relevant laws.

(e) Licensee may make two (2) copies of the Software for backup or archival purposes only, so long as IST's and its Suppliers' copyright notices are reproduced on such copies.

4. Intellectual Property Rights. Licensee acknowledges that IST or its Suppliers retain exclusive ownership of all copyrights, trademarks, patents and/or other intellectual property rights in and to the Software. Licensee is not granted any rights in the Software other than the license rights expressly set forth in Section 2 ("License Types/Grants/Use").

5. Term and Termination. The term of flex software licenses is for the duration as stated in the Sales Agreement. This license automatically terminates if Licensee fails to comply with any of the terms and conditions of this Agreement. Licensee agrees that, upon such termination, Licensee will either destroy (or permanently erase) all copies of the Software, or return the original Software to IST. Licensee may terminate this license at any time by destroying the Software and any permitted copies. ***Sections 3, 4, 5, 6, 7, 8, 9, 12, 13 and 14 shall survive any termination of the license or this Agreement.***

6. Limited Warranty and Limited Remedy – Self-Hosted Software. IST warrants to the original end user purchaser only that the Software as delivered at the time of purchase will substantially conform to the Documentation, and that the original media and Documentation are free from defects in material and workmanship under normal use for a period of time from the Licensee's original purchase date thereof (the "Limited Warranty Period"), provided the Software is used in accordance with the Documentation and with compatible computer hardware and operating systems. ***The Limited Warranty is ninety (90) calendar days.*** This limited warranty is void if failure of the Software has resulted from accident, abuse, or misapplication. IST's entire liability and Licensee's sole and exclusive remedy shall be, at IST's option, either to (a) correct or help Licensee work around or avoid a reproducible Error or (b) replace defective media or Documentation. An "Error" is a defect in the Software that causes it not to perform substantially in accordance with the limited warranty set forth above. Any replacement Software will be warranted for the remainder of the original warranty period only.

7. No Liability of Suppliers. Licensee acknowledges that its rights under this Agreement, in the nature of warranty or otherwise, are solely against IST. ***NO SUPPLIER MAKES ANY WARRANTY, ASSUMES ANY LIABILITY, OR UNDERTAKES TO FURNISH TO LICENSEE ANY SUPPORT OR INFORMATION CONCERNING THE SOFTWARE OR ANY PORTION OF THE SOFTWARE.*** Licensee hereby releases all Suppliers from any claims, damages or losses arising from the use of the Software, regardless of the form of action.

8. Disclaimer of Warranties. ***EXCEPT AS SPECIFICALLY PROVIDED ABOVE, THE SOFTWARE IS PROVIDED "AS IS", WITHOUT WARRANTY OF ANY KIND. ALL OTHER WARRANTIES ARE DISCLAIMED, WHETHER EXPRESS, IMPLIED OR STATUTORY, INCLUDING BUT NOT LIMITED TO WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OR THAT THE SOFTWARE'S FUNCTIONS WILL MEET LICENSEE'S REQUIREMENTS OR THAT ITS OPERATION WILL BE UNINTERRUPTED OR ERROR FREE. EXCEPT AS SET FORTH IN THIS AGREEMENT, THE ENTIRE RISK AS TO THE QUALITY AND PERFORMANCE OF THE SOFTWARE IS WITH LICENSEE.*** If a disclaimer of implied warranties is not permitted by law,

IST Management Services, Inc. End User License Agreement (EULA)

the duration of any such implied warranty is limited to the time period for the specific Software product purchased, as stated in Section 6 above "Limited Warranty and Limited Remedy" from the date of purchase by the original Licensee purchaser. Some jurisdictions do not allow the exclusion of implied warranties or limitations on how long an implied warranty may last, so such limitations or exclusions may not apply to Licensee. This limited warranty gives Licensee specific legal rights, and Licensee may also have other rights which vary from jurisdiction to jurisdiction.

9. Liability Exclusions and Limitations. *IN NO EVENT SHALL IST OR ANY SUPPLIER BE LIABLE FOR ANY INDIRECT, SPECIAL, INCIDENTAL, EXEMPLARY OR CONSEQUENTIAL DAMAGES OF ANY KIND (INCLUDING LOST PROFITS, LOSS OF USE OR INTERRUPTION OF BUSINESS), OR FOR LEGAL FEES, ARISING OUT OF THE USE OF THE SOFTWARE, REGARDLESS OF THE FORM OF ACTION, WHETHER IN CONTRACT, TORT (INCLUDING NEGLIGENCE), STRICT PRODUCT LIABILITY OR OTHERWISE, EVEN IF IST HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. IN NO EVENT WILL IST'S AGGREGATE LIABILITY HEREUNDER EXCEED THE LICENSE FEE PAID BY LICENSEE.* This limitation shall apply notwithstanding any failure or inability to provide the limited remedies set forth above. Some jurisdictions do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation(s) or exclusion(s) may not apply to Licensee.

10. Proprietary Rights-Contracts with Certain U.S. Government Agencies. If the Software is acquired under the terms of a Department of Defense or civilian agency contract, the Software is "commercial item" as that term is defined at 48 C.F.R. 2.101 (Oct. 1995), consisting of "commercial computer software" and "commercial computer software documentation" as such terms are used in 48 C.F.R. 12.212 of the Federal Acquisition Regulations and its successors and 48 C.F.R. 227.7202-1 through 227.7202-4 (June 1995) of the DoD FAR Supplement and its successors. All U.S. Government end users acquire the Software with only those rights set forth in this Agreement.

11. Export Restrictions. The U.S. Government maintains certain embargoes and restrictions that vary from country to country for the export and re-export of certain commodities and technical data of United States origin, including Software in any medium. IST, and its entities and employees, worldwide, are prohibited from all dealings with any country on the Office of Foreign Assets Control ("OFAC") of the United States Department of the Treasury Trade Sanctions List located at United States Department of Commerce Bureau of Industry and Security http://www.pmddtc.state.gov/embargoed_countries/index.html in addition to restricting business transactions with individuals on the Denied Persons List located at <http://www.bis.doc.gov/dpl/default.shtm>. Neither IST or Licensee shall export, directly or indirectly, any information acquired under this Agreement or any products utilizing any such information to any country for which the U.S. Government or any agency thereof at the time of export requires an export license or other government approval without first obtaining such United States and foreign government license or approval.

12. Severability. Licensee acknowledges and agrees that each provision of this Agreement that provides for a disclaimer of warranties or an exclusion or limitation of damages represents an express allocation of risk, and is part of the consideration of this Agreement. Invalidity of any provision of this Agreement shall not affect the validity of the remaining provisions of this Agreement.

13. Audit Rights. IST, or a IST designated agent, (the "Auditor") may upon thirty (30) business days written notice to Licensee, inspect any of Licensee's facilities where the Software is used and audit records for the purpose of confirming Licensee's compliance with the exercise of the licenses granted in Section 2 "License Types/Grants/Use". All such audits will be conducted during reasonable business hours and in a manner that does not unreasonably interfere with Licensee's business activities. The audit shall be performed at IST's sole expense; provided however, that if, as a result of the IST audit, it is determined that Licensee is out of compliance by five percent (10%) of Licenses Granted and that Licensee owes IST additional fees, then Licensee shall bear the reasonable cost of IST's audit and pay all past-due fees, in addition to such other remedies as IST may have under the terms and conditions between Licensee and IST.

14. Data Collection. IST may provide directly, or through qualified third parties, corrective and preventative technical support services under the terms of this Agreement. Licensee expressly consents to the provision and collection of certain Licensee information and data in connection with the services. The personal information IST collects will be used by IST, and its third party suppliers, to 1) provide the technical support service(s) or the transaction(s) Licensee has requested or authorized; 2) be used to request additional information on feedback that Licensee provides about

IST Management Services, Inc. End User License Agreement (EULA)

the product or service that Licensee is using; 3) to provide critical updates and notifications regarding the pre-release software; or 4) to improve the product or service, i.e. fixing reported product issues. Licensee expressly consents to IST permitting certain third parties and consultants that it retains to perform services on its behalf to access Licensee's information and data solely to perform the services for Licensee. The Licensee is responsible for providing any required notices and/or obtaining any required consents relating to collection and use of such data (including any such consent necessary for IST to provide these services). The Licensee is responsible for taking the steps necessary to ensure that the Licensee's use of the services complies with applicable laws, regulations, and codes of practice.

15. General. This Agreement supersedes all prior written statements, proposals or agreements relative to its subject matter. It may be modified only by a writing executed by an authorized representative of IST. No IST dealer or sales representative is authorized to make any modifications, extensions or additions to this Agreement. This Agreement is governed by the laws of the State of Georgia without application of its conflicts of law principles. The Superior Court of Fulton County, Georgia and/or the United States District Court of Northeast Georgia shall have jurisdiction and venue over all controversies in connection herewith. The United Nations Convention on Contracts for the International Sale of Goods is specifically excluded from application to this Agreement.
