

IST Management Services, Inc. Transparency Act

Transparency in Coverage (TIC) regulations require health insurers and group health plans to create machine readable files (MRFs) that contain the negotiated rates for in-network providers and allowed amounts derived from historical claims for out-of-network providers and make those files publicly available. This link provides rate information on our IST group health plans:

<https://www.anthem.com/machine-readable-file/search>

The link will allow you to search for files using our Employer Identification Number (EIN) 58-2303739

If you have any questions about this Notice or to exercise your rights to know or delete the information described above, please submit a request to:
