ZEPHYRHILLS CUBS CLUB

The Zephyrhills Lions Club has been busy over the past months, continuing its long tradition of service while also beginning an exciting new chapter focused on families, children, and the future of community service.

As part of this new direction, the Zephyrhills Lions Club has rebranded itself as a **family-friendly Lions Club**, creating opportunities for parents, grandparents, and children to serve their community together. The most exciting addition has been the launch of the club's new **Cub Program**, which allows children ages 0-12 to participate in service projects alongside their parents or guardians.

By allowing children to participate alongside their families, the club can help create lifelong volunteers while strengthening families and building the next generation of community leaders. The Cub Program also provides families with an opportunity to spend meaningful time together while making a positive difference in the lives of others.

Join the ZEPHYRHILLS LIONS CLUB Family!

PARENTS AND THEIR 'CUBS' CAN SERVE THE COMMUNITY TOGETHER!

- All children up to age 12 are invited to serve alongside their parents.
- Instilling great values, compassion, and a heart for volunteering in our upcoming generation.
- Our local Zephyrhills Lions Club is inviting you to see what we do and how your family can also help make a difference in our community.

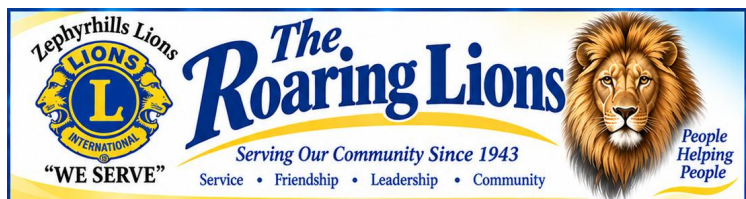

TOGETHER, WE CAN:

- Serve together as a family
- Build compassion and character
- Help make a difference in the community
- Inspire the next generation of volunteers
