- ww's hold first 5 bars move last 2? |  
could leave early if need be  
- guard grab opener flags  
- have them flutter to these dots | no  
marching | could have 2 pods leave  
each measure, all the others hold | take  
2 measures to get to dot | or some other  
way of breaking it up so they don't all  
leave at once
