

Instrument Assembly Video Assignment – due

Students will be graded on

- ☐ Stating their name, hour, and instrument (5 points)
- ☐ Proper assembly of the instrument (10 points)
- ☐ Proper use of vocabulary explaining each part of the instrument (10 points)

Any mistakes within these categories will take off 1 point per mistake

Other Information

- Students can submit a video in Schoology or submit a video on the iPad in the classroom.
- Students may refer to pages 2-3 of their Essential Elements books during the video, but we strongly recommend students try from memory.
- **Students need to make sure that they AND the instrument are visible in the video. Otherwise, they will have to retake the video assignment.**
- Students can redo the video as many times as needed until the end of the semester.
- This video should take no longer than 3 minutes - relax and have fun with it!
