REMINDERS:

- ALL MEMBERS should wear gym shorts and a t-shirt for fittings. Do not wear: hoodie, jeans/pants, cargo shorts/jean shorts, or sweat pants.
- ALL MEMBERS need to bring their black marching band shoes for trying on their uniforms.
- All members with LONG HAIR need to put their hair up in a ponytail, braid(s) or a bun for hat fittings and performances. Long hair must be up inside the hat. We need to avoid running out of the larger hat sizes this year, so all marchers must be fit for a hat (with hair up) by a parent helper.
- All others in last-minute need of marching band shoes must place their order during this rehearsal. See the parents helping with uniforms!
- Student Leaders should report 15 minutes early to their section's time.

AGENDA:

- Enter through ABHS Door 6 (North Side) and set up for your sectional in Mr. Fenton's room (E130).
- Students will work in their sections for 30 minutes. Once that time is done, they should go straight to Mrs. Haslam in the uniform room to be fitted for their uniform (do not wait for someone to come get you!). Once the students are fitted, they are dismissed.
