

# PACKING CHECKLIST

## CLOTHING

Bring clothes for each day of your trip. Pack what you will need to get before hotel check-in time in your **carry-on bag**,

Be prepared for weather extremes, such as rain or wind with cooler than expected temperatures. To help you in planning clothes for the trip, the average temperatures in Orlando during the month of May are a high of 89 and a low of 68 degrees Fahrenheit.

Plan to dress comfortably during the days. It makes sense to bring informal outfits--jeans, shorts, slacks and comfortable walking shoes. **All clothing must be neat, clean and modest, and in accordance with the ABHS dress code policy.**

## OTHER CLOTHING AND ACCESSORIES

Red band shirt or "There's No Place Like Home" show shirt for under marching uniform

Any shorts are fine for performance – marching pants must be able to fit over them

LONG BLACK SOCKS for marching uniform

Marching Band Jacket/Pants and marching shoes will go on the trailer

\*Some places only take cash, and some do not take cash. Please be prepared for both scenarios!

When your luggage is stowed under the motorcoach, you will not have access to items packed inside until hotel check-in. On the final day of the trip, you will not be able to get in your luggage until you arrive at home. Make sure all you need (camera and film, money, medicine, a change of clothes, etc.) is in your **carry-on piece**.

## VALUABLES ON THE TRIP

Trip participants assume full responsibility for any valuables brought along on the trip. The hotel rooms of trip participants are not generally secure places for valuables. The motorcoach will generally be locked when neither the group nor the driver is on board. The best rule, however, is to leave at home any valuables not really needed on the trip.
