

## Private Lesson Scholarship Process

Students receive information in school regarding private lesson scholarship. Application is on the Website.
Scholarship Applications are <b>due by 11/17/2025</b>
If accepted, the Financial Secretary for the boosters will send you a Scholarship Tracker to be signed by your private lesson instructor each lesson.
Parents will pay for each lesson until the tracker is complete.
Once Tracker is complete, students will turn Tracker in to their Band Director. (Highly recommend that parents keep a copy for themselves.)
Trackers will be sent over to the Treasurer and checks for \$200 will be mailed to the parents.
