7 DAYS

# The Essence

Seven bespoke days in the areas of Milan, Lake Garda villages, Mantua and Verona, where each step is a unique experience. Fashion, art, wine and Michelin starred restaurants meet in secret, far from noise and crowds. Yacht tours on the lake, sunset cruises, rounds of golf and spa rituals in historic homes become ceremonies of pure pleasure. Wineries open their cellars, palaces reveal their hidden rooms, and cities unveil their extraordinary secrets. Every table is reserved, every tour is private, every moment is designed to eliminate redundancy. A tour where luxury is not ostentation, but a quiet privilege—an invitation to breathe our time and our world.
