White Ribbon Against Pornography (W.R.A.P.) Week is a national awareness initiative held during the last week of October. "Protecting Families and Souls," a ministry sponsored by our parish, has a table in the foyer with free information on protecting yourself and your family.

While the impact of pornography and its ties to human trafficking is devastating, there is hope. W.R.A.P. Week was established not to place blame, but to inspire us to change society's views on pornography.

Parishioners are invited to wear a white ribbon for W.R.A.P. Week to help start conversations about the harms of pornography, especially given that the average age of initial exposure is now 11 years old, and often much younger.
