

MAY 2026 UPDATE

NorthWest Tandem Rally

The NWTR has traveled extensively throughout the northwest since 1986.

Join us in beautiful Cottage Grove, Oregon—the Covered Bridge Capital of the West—for a three-day celebration of cycling, community, and connection.

Hosted by Mudslinger Events LLC, and supported by the NWTR Board, the 2026 edition, themed “Wine & Covered Bridges,” invites tandem riders from across the Northwest and beyond to explore the rolling hills, vineyards, and historic charm of the Willamette Valley. With routes designed for all abilities, participants will enjoy fully supported rides featuring Oregon’s iconic covered bridges, scenic bikeways, and friendly small-town hospitality. Local Non-Profits will be on hand welcoming you, along with our friends at the Cottage Grove Area Chamber of Commerce.

FAQ

Why a Tandem? Submitted by Team Walsh

I have a gravel bike, and I love my mountain bike; neither of those bikes make people smile.

The tandem starts conversations.

Parents with children stop and wave.

People are compelled to yell, "She is not peddling," and laugh out loud.

Even the ferry captain reassures us that our bike is safe.

It seems everyone wants to be a part of "our team".

It is bigger than just the 2 of us!
