How to Use QR Codes

To help make registration and event information easier to access, you'll see QR codes throughout this month's highlights. You can scan a QR code by simply opening your phone's camera and pointing it at the code—your phone will automatically pull up the link for you. If you're reading the digital PDF version of the newsletter, the QR codes are also clickable and will take you directly to the linked information. We hope this makes connecting with events, registrations, and ministry opportunities at Hope even easier and more convenient.

Pastor Letter Understanding the Vision

1 Peter 5:1-3 - So I exhort the elders among you, as a fellow elder and a witness of the sufferings of Christ, as well as a partaker in the glory that is going to be revealed:² shepherd the flock of God that is among you, exercising oversight, not under compulsion, but willingly, as God would have you; not for shameful gain, but eagerly;³ not domineering over those in your charge, but being examples to the flock.-ESV

On September 2nd we will meet, eat, and talk about where we are going as a church. The process of hearing, the work of calling, and the duty to share is now upon us. The vision I will share is simple: "To Have, Build, and Share One Hope in Christ."

There are three things that have undergirded this vision, and the worksheet sent the congregation; 1) the focus on Christ, 2) the concern for our people, and 3) the desire to energize people for the work of ministry.

The Focus on Christ

The focus on Christ is essential. We can't build on any other foundation other than the one that has already been laid, which is our Lord Jesus Christ. If ever we lose sight of him, if ever our focus becomes more on "success," on pleasing people rather than God, then we have lost everything. Yet if our eyes are set on Jesus, our hearts focused on the spread of his kingdom through his Gospel, if we are humble and wait upon the Lord's movement, then God will provide what we need, he will direct our steps, and he will give us lives of joy and peace even in the midst of our trials and sorrow.

The Concern for our People

Looking after the flock of God is the work of a pastor, but it is also the work of a congregation. A vision cannot just be a mobilization of talents and resources; it must fundamentally serve the very people God has brought in our midst and given into our care. That care is needed whatever age; the new mother ought to know her church is delighted to support her as much as the great-grandmother should feel confident that the church will gladly meet her with communion in the assisted living facility. That care for our people takes many forms, but one we cannot neglect is that we look to teach one another, grow up together in the word, learn our theological foundations and feel equipped to speak our faith to others around us.

The Desire to Energize

Hope has a magnificent history of service and continues boldly to this day. One of the most exciting parts of any vision is the sense that we now can get to work, act with courage and strength for ministry, lift up the needs of our community and preach the Gospel of Jesus to all who will hear it. New vistas of service, passing the torch of ministry to a new generation, getting people connected to the life of the church is a joyous and wonderful thing.

More could be said, but these are a few of the deeper elements that have played into this vision. I ask for your prayers, I humbly ask for your support, and I look forward to walking forward in shared purpose. God bless.

Looking forward with Hope,
Pastor Devin Murphy

Sunday School

9:45-10:45 AM

Get Back Into the Rhythm of Sunday School

As school-year routines return, make Sunday School part of your family's weekly rhythm! Join us Sundays from 9:45-10:45 AM, with opportunities for every age—from babies in the nursery to Kids, Youth, and Adults. Learning never stops, and neither does our need to grow and be strengthened in God's Word.

"Give instruction to a wise man, and he will be still wiser; teach a righteous man, and he will increase in learning." – Proverbs 9:9.

Don't forget to check in through the Realm app or kiosk before class ends.

Kids Lessons

There's a lot to discover in God's Word this fall! Across Hope Kids Ministry, each age group is diving into lessons designed just for them as they learn more about who God is, His promises, and what it means to follow Him. Preschool JAM is exploring Noah's Big Boat: God's Forever Promises, K1 Crew is learning to Follow God, Level 23 is Looking Upward to God's Glory, and Club 45 is discovering The Chosen One. Ask your Kids what they're learning and keep the conversation going at home as we grow together in God's Word!

Youth Lessons

Join us each Sunday as Youth Sunday School continues our year-long study, People of the Bible. Together, middle and high school students are discovering how God worked through ordinary people in extraordinary ways and how those same truths continue to shape our lives today. Each week builds on the last through Scripture, discussion, and real-life application, making it a great time to jump in and grow in faith alongside friends.

Adult Lessons

Join us in September and October for Nailing It Down, an Adult Sunday School study diving deep into some of the most central tenets and concepts of our Lutheran theology. If you want to learn more about our faith, more about church history, and more about why we find it such a gift to be part of this church body, come prepared to dive in and gain a new appreciation in the coming months. Join us Sundays from 9:45-10:45 AM in Room 301.
