“Proceeding with Purpose”

Draft Statement to be submitted to the Act 73 Redistricting Task Force

(Date)

To the Act 73 Redistricting Taskforce,

The Orleans Central Supervisory Union, including the Lake Region Union High School Board, the Lake Region Union Elementary and Middle School Board and the Orleans Central Supervisory Union Board, are pleased to submit this letter regarding Act 73 redistricting.

The members of the Orleans Central Supervisory Union representing the towns of Albany, Barton, Brownington, Glover, Irasburg, Orleans Village and Westmore, move to remain within a Supervisory Union which may be enlarged under the terms of Act 73 if a larger supervisory union can provide at least the same level of services for our schools at a lower cost.

Our purpose is to optimize cost-savings and efficiencies where possible while maintaining engagement, oversight and accountability at the local level. Our goal is to achieve excellent educational outcomes for our communities, children and youth at a cost Vermonters can afford while preserving the direct connection between the schools and the local communities.

This statement reflects the collective position and input of all three boards, as discussed and agreed upon during our recent meetings held during September, 2025. We appreciate your attention to this matter and look forward to your consideration as the state explores changes to the education system.

Respectfully,
(List of board chair for each board)
With name, title and email address

Note: Motion voted on by each board should include language approving the statement including small language edits and changes that do not alter the general sense and purpose of the resolution.
