## **Hazard Mitigation Kickoff Meeting**

A resident or a member of the public body or the press may request remote access to the advisory body's meeting by submitting to the Town Clerk a request, in writing, at least one business day before the meeting.

Anyone wishing to speak must be signed in and acknowledged by the chair before speaking. You must also identify yourself before speaking. We want to hear from you, but need the understanding that time during meetings is limited, thus very important to us as a committee while developing this plan for Town and State. Please keep comments or statements concise and to the point. Time limits may be set if public comment dominates large portions of time.

### CALL TO ORDER
