## **SELECT BOARD MEETING Agenda**

A resident or a member of the public body or the press may request remote access to the public body's next regular meeting by submitting to the Town Clerk a request, in writing, at least two business days before the meeting.

Anyone wishing to speak must be signed in and acknowledged by the chair before speaking. You must also identify yourself before speaking. We want to hear from you, but need the understanding that time during meetings is limited, thus very important to us as a Board making decisions for the Town. Please keep comments or statements concise and to the point. Time limits may be set if public comment dominates large portions of time.

**Online participants must identify themselves to remain in a meeting.**
