Warranties on the back.

In most areas of the country, state or local law does not require that you buy a container to surround the casket in the grave. However, many cemeteries require that you have such a container so that the grave will not sink in. Either a grave liner or a burial vault will satisfy these requirements.

WARRANTIES

Our funeral home makes no representations or warranties about the protective value of certain caskets or outer burial containers other than those made by the manufacturers. The only warranties, expressed or implied, granted in connection with goods sold with this funeral service are the express written warranties, if any, extended by the manufacturers thereof. No other warranties and no warranties of merchandising fitness for a particular purpose are extended by the seller.
