

TWO WEEK LOOKAHEAD

NEW STREET, MALAHIDE

Maylim have been appointed to complete the Public Realm improvements for a Pedestrianised New Street, Malahide.

These bi-weekly newsletters will provide an update of the works on site, inform you of the upcoming proposed works, and any impact to access/restrictions that may be in place.

INTRODUCTION

Maylim will begin works on the New Street Public Realm Improvements on Tuesday 27 October 2026.

Before works begin, we would like to invite residents and local businesses to a meet and greet on New Street on Tuesday 27th, from 11am to 12 noon.

Please come along to meet the team and ask any questions about how the works will be delivered. We look forward to getting to know you and working with you throughout the project.

COMING UP NEXT

During the first two weeks, works will focus on:
Setting up the site, including Heras fencing and designated pedestrian and traffic routes. Removing all existing trees on New Street.

Followed by:
Commencement of excavation for new watermain along West side of road.

Workzones:
The work zone will extend along the full length of the western side of New Street, with designated pedestrian walkways maintained through the area. We will work to minimise disruption and thank you for your patience while these improvements are delivered.

-  Work Zone
-  Pedestrian Access Through Walkway Maintained
-  2-Way Vehicle Access From The Strand
-  Pedestrian walkways Maintained along footpath On both sides of street
-  Delivery access from The Mall maintained within Regular window 7-11am
