A little about us...

Bruce Helsel's Tree Farm

& Garden Center has been family owned and operated for over 35 years.

Bruce Helsel, third generation owner-operator, takes great pride in the quality of trees available through their various locations. All trees grown in the tree farms are inspected by both the Michigan Department of Agriculture AND the U.S. Department of Agriculture. Every single tree is covered by the Certificate of Quarantine Compliance and comes with a one-year warranty*. Buying from a local grower, consumers have the peace of mind that comes only from knowing that not only will that grower stand behind their trees and plants, but the added assurance from the Departments of Agriculture that your trees or plants are both pest and disease free.

* Warranty is only valid on trees that have full time irrigation, and are a full time residence (no cabins). Not liable for the act of Mother Nature.

Retail Price List - Conifers
