

November Newsletter

Principal's Note

Hello Families! I want to let you all know how proud we are of our staff and students for the success of our first lockdown drill. The law enforcement was very impressed with how quiet our students were.

~ Mrs. Karissa Kleiber

What We're Learning

Our 3rd - 6th graders have completed their Saints Research Project in religion.

Our Smart Families Rep presented the APP trap presentation to our students. Ask your child what they recall from that presentation.

Our classroom doors have crosses taped around them to help us remember our loved ones who have gone before us and we pray for their souls.

Reminders

- Nov. 11th Veteran's Day Program 9-10am
- Nov. 12th - Progress Report / Free Dress
- November 24th-28th Thanksgiving Break

Faith Column

Generosity is our virtue for November.

Did you know that "Halloween" is simply a version of the phrase, "Hallows' Eve"?

"Hallow" means "holy" or "saint"

"E'en" is short for "evening"

So **Halloween** literally means the **Eve of All Saints Day** - the vigil before one of the Church's greatest feast days where we honor the saints, martyrs, and all those in heaven! We also ask them to pray for us on earth!

A Note Regarding School Safety

Sacred Heart School has partnered with STOPit Solutions. This is an anonymous reporting tool designed to deter and promptly address instances of bullying, school violence, self-harm, and inappropriate behaviors.

We encourage all families to download the STOPit app or go to <https://appweb.stopitsolutions.com/login> to register. Mrs. Kleiber will send the Access Code in a separate letter that has more information on this great tool.
