

February Newsletter

Principal's Note

Hello Families! I hope you all have a wonderful start to the new year. In our classrooms, we are working having our students talk using complete sentences. You can help with this at home, too! When asking your child(ren) questions, have them speak to you in a complete sentence. This helps with overall speaking!

~ Mrs. Karissa Kleiber

Faith Column

Charity is our virtue for February.

Pray for us, St. Vincent De Paul.

St. Vincent is the primary patron saint of charity. He spent time during his life serving the poor, sick, and forgotten. He also established many charitable organizations.

Thank you!

Thank you to our PTC for helping open car doors during Catholic Schools Week. Also, thank you for passing out the hand-held crosses and Sacred Heart logo stickers during morning drop off.

Thank you to our School Advisory Board for helping host our school's Valentine's Day Dance.

TEFA (Texas Education Freedom Account)

UPDATES:

If your child has an IEP (Individual Education Plan) from the Local ISD, please contact our office to learn how this can affect your TEFA application.

TEFA window opens from February 4 - March 17.

Visit: <https://csdatx.org/schoolchoice-1> for more information on how your family could benefit from this program!
