STONE POINT CREDIT CORPORATION

RULES AND PROCEDURES FOR THE CONDUCT OF THE 2025 ANNUAL MEETING OF STOCKHOLDERS

We welcome you to the 2025 Annual Meeting (the "Annual Meeting") of Stockholders of Stone Point Credit Corporation (the "Company"). In fairness to all stockholders participating in the Annual Meeting and in the interest of having a fair, informative, orderly and constructive Annual Meeting, we have implemented the following procedures:

1. The Annual Meeting will be held by videoconference using the provided reservation link. No audio or visual recordings are permitted during the Annual Meeting. Information about how to access the Annual Meeting was emailed to stockholders that registered to attend the Annual Meeting. A list of the Company's stockholders as of the record date was prepared and made available at the same website for inspection in accordance with Delaware law.
2. The business of the Annual Meeting will follow the order presented by the Chair of the Annual Meeting. The Chair of the Annual Meeting shall have the authority necessary to preside over the Annual Meeting and may make any and all determinations with respect to the conduct of and procedures to be followed during the Annual Meeting.
3. Stockholders of record can participate in the Annual Meeting via videoconference. All votes cast at the Annual Meeting must be cast in person at the Annual Meeting, by proxy or via the following website: www.cleartrustonline.com/stonepoint. You will need the Control Number included on your proxy card if you wish to participate virtually and vote via the website at the Annual Meeting. You may still participate in the Annual Meeting if you vote by proxy in advance of the Annual Meeting.
4. You need not vote at the Annual Meeting if you have already voted by proxy or via the Internet or by telephone. However, if you wish to revoke your proxy, or if you have not yet voted, you will have the opportunity to vote at the Annual Meeting.
5. Only registered stockholders as of the record date may submit questions and vote at the Annual Meeting.
6. A representative from the Company may read or paraphrase pertinent stockholder questions or remarks after the polls have closed and the formal portion of the Annual Meeting has concluded, as time allows. An officer of the Company may address relevant questions following the conclusion of the Annual Meeting.
7. Stockholder questions or remarks must be relevant to the Annual Meeting and pertinent to matters properly before the Annual Meeting. Stockholders should make their questions succinct and limit themselves to one topic per question. Questions may be paraphrased and questions from multiple stockholders on the same topic or that are otherwise related may be grouped, summarized and answered together.
8. The views and comments of all stockholders are welcome. However, the Annual Meeting is not to be used as a forum to present general economic, political or other views that are not directly related to the business of the Company. The purpose of the Annual Meeting

will be observed and the Chair or Secretary will refrain from addressing questions or comments that are:

- irrelevant to the business of the Company or the business of the Annual Meeting;
- related to material non-public information of the Company;
- related to personal grievances;
- related to pending or threatened litigation;
- commentary or derogatory references that are not in good taste;
- unduly lengthy;
- substantially repetitious of statements/questions made by other stockholders; or
- out of order or not otherwise suitable for the conduct of the Annual Meeting as determined by the Chair or Secretary of the Annual Meeting.

9. If there is any matter that is of individual concern to a stockholder and that is not an appropriate subject matter for general discussion, or if a question posed was not otherwise answered, please send an email to SPCreditIR@stonepoint.com. A representative of the Company will reach out to individual stockholders to discuss such matters if the Company deems the response necessary.

Thank you for your cooperation and we look forward to your participation.
