

Your Story Matters

Every life tells a story and every story is unique. With your own style, interests, values, and experiences, you truly are one of a kind. There's no one better than you to tell your life story.

Bring a notepad and pen or a computer/tablet, as well as any resources you have or may need to begin telling your story.

KELLY LARSON
Advance Funeral Planner

**Join us to start recording highlights of your life
for your obituary or family memoir.**
