**DID YOU KNOW??** The first Sunday of Advent is November 30<sup>th</sup>. One meaningful tradition of Advent is to have a home Advent Wreath to be lit, adding the lighting of one candle for each week in Advent. It's a beautiful time to read an Advent Devotion for that day. The circular shape of the wreath reminds us of the everlasting love of God. The four candles represent: Week 1: Hope:(purple) Week 2: Peace (purple) Week 3: Joy (pink) Week 4 Love (purple) Christmas Eve: Christ candle (white) center of wreath. You may wish to enjoy an Advent Wreath for Advent, this year.

**THANK YOU!!** Truly behind the scenes are those who make our Divine Worship Service meaningful: those who prepare the altar for communion & those who operate the sound board. Many thanks to Candice Petzoldt & Lorna Wood who work Sunday after Sunday to make accompaniment available to us in our hymns. Thank you to Shirley Shelby for organizing Altar Guild & to those who work with her.

**Personal Note of Thanks from Gary Hobbs** - Thank you for your support during Brenda's final days and after she passed. Your prayers and how you reached out to me was a great comfort. As my family and I continue our journey, we will always remember and be comforted.

## **MESSAGE FROM YOUR PASTOR**

***“You will be enriched in every way to be generous in every way, which through us will produce thanksgiving to God.” (2 Corinthians 9:11)***

The verse above and this section of 2 Corinthians is saying that to be generous, you first have to be enriched. Enriched by who? Enriched by God our Creator and provider. As God gives us everything we need for daily living and supplies us with every spiritual need also from His bounteous Word and promises, we should feel compelled to give generously back to God and in serving one another.

Earlier, Paul said, “whoever sows sparingly will also reap sparingly, and whoever sows bountifully will also reap bountifully.” As you and I have received so much from God, we also can give so much back to Him and to one another for the building up of the Kingdom.

“God loves a cheerful giver.” Don’t give out of compulsion, but out of love and generosity - that should be natural and knowing that what we have does not belong to us. That is the root of stewardship. We are only stewards of what ultimately belongs to God, the owner of everything. It should be very easy to give of yourself as God has given you and I, certain talents and abilities to serve Him and our neighbor.

As was talked about in a sermon on the story of the ten lepers, every day is a day of thanksgiving to God. Don’t let the National Day of Thanksgiving every fourth Thursday in November be the only day you give thanks to God. We have been blessed to be created and sustained by the one true God to serve Him and others for all He does for us now and for eternity.

Gratitude seems to be lacking these days as most people act more like the rich fool from Luke 12 than the one Samaritan leper who came back to worship and thank Jesus for healing him. Trust in God for all things, not just those uppermost in your mind. You can come to Him for anything and He will listen and act in accordance with His good and perfect will. Such faith and trust overflows “in many thanksgivings to God” from whom comes “every good and perfect gift.”

Thanks be to God for He sees us and takes care of us, now and forever! “Let everything that has breath praise the Lord!”

In Christ Jesus,

Pastor Nathanael Biberdorf
