

Common Problems of the Foot and Ankle: Diagnosis and Treatment

Tuesday, March 17,

6:00 to 7:30 p.m.

Cumberland Woods Village Legacy Theatre
700 Cumberland Woods Drive
Allison Park, PA 15101

Speaker

William E. Saar, DO

Orthopedic Foot and Ankle Surgeon
Tri Rivers Musculoskeletal Centers

Program description

Please join William E. Saar, DO, orthopedic foot and ankle surgeon with Tri Rivers Musculoskeletal Centers, to learn about common problems of the foot and ankle, with a focus on diagnosis and treatment. Dr. Saar will discuss and answer questions about plantar fasciitis, foot and ankle arthritis, bunions, hammertoes, neuromas, and foot and ankle-related trauma. Learn about both conservative and surgical treatment options for your foot and ankle concerns.

To register

Please register by **Monday, March 16**, by calling **412-748-6641** or linking to <https://upmc.asapconnected.com/#CourseID=287983>
