Why is TS OdMo™ a Better Solution?

Characteristics of TS OdMo™

- Non-toxic and non-hazardous
- Fumeless
- Removes mold odor
- Eliminates mold on contact
- Suitable for commercial and residential use
- Easy to apply and fast-acting
- Cost-effective compared to conventional methods
- Long shelf life
- Inhibits regrowth

Characteristics of Bleach (or other chemical) Products

- Toxic Hazardous Chemical
- Strong Fumes
- Commercial & Residential Use (not most effective)
- Need Extra PPE
- Not as Cost Effective over Other Methods
- Doesn't Stop Regrowth
