## WHERE IN NEW YORK DO YOU GO TO UNWIND?

“

I love going to my family's restaurant, Fresco by Scottto in Midtown Manhattan. It is an extension of our home serving delicious comfort food. The rigatoni bolognese will make you forget all your problems!

**WHAT'S THE DISH AT FRESCO BY SCOTTO THAT YOU'LL NEVER TAKE OFF THE MENU?**

“  
Our eggplant and zucchini pie. It is one of our customers' favorites. We added the zucchini to our eggplant parm after TV host Kathie lee Gifford asked if we could make it special for her. We all tasted it and enjoyed it so much we incorporated it into our menu.
