

# 2025-26 Enrollment Information

**RETURNING BSGA MEMBER PRIORITY ENROLLMENT BEGINS 6/2/25**

**ALL CURRENT MEMBERS MUST RE-ENROLL IN THE NEW SEASON - THIS WILL NOT BE DONE AUTOMATICALLY**

## Enrollment Information

- In order to enroll your family for the new season, please log into your existing customer portal account to complete the required online enrollment. New Families - The first step to enrolling is to create a new family profile in our customer portal. Your primary email on file will be assigned as your username and you can choose your own password. Forgotten passwords can simply be reset. We are more than happy to help our families connect to their existing accounts through our customer portal - just give us a call if you need any help!
- The first month's tuition is due in order to reserve your child's spot in class for the new season. For brand new families, the \$50 annual family registration fee in addition to the first month's tuition, is due at the time of enrollment in order to reserve your child's spot in class.  
On the family's 12-month anniversary month, the \$50 annual fee will be due again and included in the monthly tuition payment.
- Priority enrollment for 2025 member families begins 6/2/25. **\*\*Nonmembers will be able to enroll beginning 6/16/25.**

*PLEASE BE SURE TO READ OUR UPDATED 2025-26 POLICIES AND PROCEDURES ON THE PORTAL BEFORE ENROLLING YOUR CHILD. WE WANT TO ENSURE THAT ALL OF OUR FAMILIES COMPLETELY UNDERSTAND ALL OF THE DETAILS FOR THE NEW SEASON BEFORE COMMITTING TO REGISTERING FOR OUR PROGRAMS.*

## ROLLING SESSIONS AND AUTOMATIC PRIORITY ENROLLMENT

**Our 2025–2026 season runs from September 2, 2025, to August 22, 2026, and includes 12 rolling sessions through our automatic priority enrollment program.**

Upon initial registration, active BSGA students receive priority placement in their current class from one session to the next for the entire season. This is managed through our automatic billing system, which requires a valid credit or debit card to be stored on file.

One week before the start of each monthly session, all active students will be automatically re-enrolled, and the card on file will be charged for the upcoming month's tuition. If it is your family's anniversary month, the \$50 annual registration fee will also be charged at this time.

Please note that **we cannot accept enrollments without a card on file, and only one primary card can be stored per family profile.**

Families may choose to pay by check, cash, or a different card online *before* the scheduled payment date to avoid the automatic charge to the card on file.

Session and payment dates for the full 2025–2026 season are listed below.

During the third week of the session, members will receive a reminder email and account statement with details about the upcoming enrollment and payment date.

If you need to make any class changes or cancellations, please do so during this time. If you know your child will not be returning for the next session, you must notify the front desk via email before the scheduled automatic payment date.

Failure to provide written notice before the payment date will result in a \$25 processing fee for any tuition refund requests, which may take up to 7 days to process..

## WEE PEAS ENROLLMENT DETAILS

For our complimentary Wee Peas program (ages 6-12 months), monthly enrollment is offered on a first-come, first-served basis and opens one week before each upcoming session. Families may enroll online through our customer portal or contact the office to re-enroll if already registered for the current season. Please note that Wee Peas students are not automatically re-enrolled from one session to the next. An annual \$50 registration fee is required at the time of your family's initial enrollment for the season.

## CLASS ATTIRE

All athletes are required to wear a leotard or form-fitting athletic attire (full-length tops with athletic bottoms), with hair securely tied back, to ensure safe coaching and spotting. Sports bras worn alone are not permitted, as direct skin contact with equipment may pose a safety risk. For safety reasons, loose jewelry is also not allowed. Athletes must be appropriately dressed in order to fully participate in class.

## CONTACT INFORMATION

Please ensure your family profile is fully and accurately completed at the time of enrollment so we can contact you in case of an emergency. At BSGA, email and text are our primary methods of communication for billing, important announcements, and class enrollment updates. It's important that we have reliable phone numbers and email addresses on file for all family members who need access to your child's BSGA information. To avoid missing important messages, please add us to your contact list and enable email and text notifications.

## CHILD HEALTH & WELLNESS INFORMATION

To ensure the best possible learning experience at BSGA, all parents/guardians must provide complete and accurate health and behavioral information for their child. We are committed to working collaboratively with families to support each child's success in class. The more insight you can share, the better we can tailor our approach to meet your child's needs!

## PHOTO OPPORTUNITIES

Throughout the year, we capture photos of our students during classes and BSGA-sponsored events to celebrate their hard work and highlight our programs in promotional materials. If you **do not** wish for your child to be included in any promotional content, please notify our office so we can update your account accordingly.

## MAKEUP CLASSES

All absences will generate a make-up token after the missed class, which can be redeemed for an available open class or a general make-up class. Tokens can be redeemed at your convenience through the customer portal.

There is no limit to the number of make-ups you may schedule per session; however, make-ups can only be scheduled up to one week in advance. Please note that make-up tokens expire 60 days after the date of the missed class—no exceptions.

If you are unable to attend a scheduled make-up class, please email us at least 24 hours in advance to be eligible to reschedule. We are unable to reschedule missed make-up classes due to a no-show.

To redeem tokens, your child must be actively enrolled. If not, access is limited to general make-up classes only (available for Three & Four Peas, Gymnastics Levels 1–4, and Tumbling Levels 1 & 2).

*Please notify our office as early as possible if you anticipate an absence (e.g., due to vacation or travel), so we may offer your child's spot to another student using a token. As outlined in our policies, missed classes will not be prorated or refunded.*

### **PRIVATE LESSONS**

Private lessons are made available on the customer portal on the 15th of each month for the following month and are scheduled on a first-come, first-served basis. To avoid being charged for the full cost of the lesson, at least 24 hours' notice is required for any cancellations or rescheduling. Please note that no exceptions can be made for changes made after this 24-hour window.

### **FAMILY PROTECTION POLICY**

Please note that only individuals listed as authorized guardians in your family profile will have access to your child's account information. This includes access to attendance, billing, enrollment, and skill progress. We encourage you to log in to your family profile to ensure that all appropriate family members are listed as guardians. For security and privacy reasons, BSGA staff cannot manually update family details, credit card information, or student records in the office. All changes must be made directly through your online portal.

### **BAY STATE GYMNASTICS ACADEMY APP**

Download our app by searching "Bay State Gymnastics Academy" in the Apple App Store or Google Play Store. Through the portal, you can conveniently manage payments, account updates, and enrollment change requests—all in one place.

## Frequently Asked Questions

### **How will I know where my child goes for class?**

You can find this information in your customer portal by clicking on “Account,” selecting the student's name, and then navigating to “Enrollments.” The meeting location for your child's class will be listed under “Class Location.”

This information is also included in the confirmation email you received at the time of enrollment. Additionally, we send a reminder email with class details a few days before each new session begins.

### **How are my child's skills tracked & evaluated?**

Each level has a set of specific skills that students must master before moving on to the next. We use a simple three-star evaluation system:

- ★ One star means the skill has been introduced
- ★★ Two stars indicate the student is actively working on the skill
- ★★★ Three stars show the skill has been mastered

Once your child has earned three stars in all required skills for their level, they're ready to advance!

Your child's instructor will notify our office when they're ready to move up. You'll then receive an email with available options for the next level so you can select what works best for you.

You can track your child's progress anytime through the customer portal by clicking on “**Account**,” selecting your student's name, and then choosing “**Evaluations**.”

If you'd prefer a printed copy of your child's evaluation sheet, just let our office know — we're happy to help!

### **How do I know what level to register my child for?**

Our classes are structured by both age and skill level to ensure the best learning experience for each student.

Children ages six months to under five years are grouped by age. Once a child turns five, they'll typically move into a Level 1 class, unless they've been personally invited by our staff to join a higher level based on demonstrated ability.

All new students to gymnastics begin in a Level 1 class, grouped by age.

Returning students should register for the level they were in during their last session with us.

If your child has prior gymnastics experience from another facility or has progressed outside our program, we recommend scheduling an evaluation. This helps us place them in the most appropriate class to support their continued growth and success.

### **What is the difference between traditional gymnastics classes and tumbling?**

Our traditional gymnastics classes provide well-rounded training across all major events. For girls, this includes floor, bars, beam, and vault, while boys train on floor, parallel bars, rings, pommel horse, and vault.

Our tumbling classes, on the other hand, are designed specifically to focus on floor skills only, ideal for those looking to learn or improve their acro and tumbling techniques.

## **2025-26 ROLLING SESSION DATES**

### **ROLLING SESSIONS WITH AUTOMATIC RE-ENROLLMENT FROM ONE SESSION TO THE NEXT**

<b>Session #1: Sept 2 - Sept 27, 2025</b>	<i>Payment due upon enrollment</i>
