## FAITH FORMATION SERVICE PROJECT

The Faith Formation class led by our teens will be collecting the pop tabs (pull tabs) from aluminum cans to help support the Ronald McDonald House. The tabs from soda, soup, or pet food—are collected, recycled, and the proceeds help provide free or low-cost lodging for families with

hospitalized children. The Ronald McDonald House is located in New Haven and directly connected to Yale-New Haven Children's Hospital by serving as a specialized "home away from home" for families with children receiving critical care there. Cans will be placed in the vestibule for you to

drop the tabs off when you come to church. We thank you for supporting this wonderful cause and know that every tab donated will make a difference in the life of a family with a sick child.
