Engagement Letter

This engagement letter is to confirm the arrangements for our tax return services. We will prepare your individual and/or business federal and state income tax returns for **2025** in accordance with the appropriate tax laws and regulations. Your return will be prepared solely from the information provided by you.

- ALL TAX PREPARATION FEES ARE DUE AT THE TIME OF YOUR APPOINTMENT.
- WHEN YOU DROP OFF THE RETURN TO BE PREPARED, A DEPOSIT EQUAL TO LAST YEAR'S FEES ARE DUE PRIOR TO ANY WORK BEING DONE ON THE RETURN.

Tax Preparation Services Fees are based on the complexity of your return, and the preparer determines that amount. Any conversation with other staff of Army Post Accounting about fees is an estimate and not the final price.

Extension of time to file return: Taxes are still due by 4/15, the extension is for filing, not paying. The taxpayer is still responsible for all taxes, penalties, and interest due when the return is actually filed.

Other Services provided: Tax audits, business-related consulting, business forms, and/ or letter preparation, including FAFSA information, are based on a flat fee or a minimum fee of \$95 per hour.

We will not fax or email any tax information. You are welcome to pick up the information and send it anywhere you wish.

Occasionally, we do make mistakes; please forgive us for being human. Be courteous and let us know if you received any letters from the government. **If we are at fault**, we will correct the return for **free** and pay for only the penalties. However, **we are not responsible for any taxes owed because of these mistakes**.

Please ask any questions before signing your return. Returns are filed at the end of each day, so if you don't call us with new information prior to closing time, you will need to amend your return for the additional information, and we will charge additional fees if it was not our mistake.

Sincerely,
Chris Mendelsohn, EA
