### INSTRUCTIONS

1

List your top four interests in each category, then mix and match them to spark product or service ideas. Get creative and start thinking about who would actually buy or use them.

## COMBINE YOUR INTERESTS & BRAINSTORM!

## WHAT'S YOUR BEST IDEA?

## WHAT'S YOUR 2<sup>ND</sup> BEST IDEA?

### INSTRUCTIONS

2

Choose your top creative combinations and input them into the boxes above.

CAN YOUR 1ST IDEA PRODUCE A PRODUCTS?

INSTRUCTIONS

4

Write down your dream income in the space below. This will guide your (HGRG) calculations in the rest of this work poster.

CAN YOUR 1ST IDEA PRODUCE A SERVICES?

YEARLY DREAM INCOME

INSTRUCTIONS 3

Develop multiple products and services from your ideas. They can complement each other, like a service supporting a product, or stand alone independently.

INSTRUCTIONS 5

Create a products or services that makes your customer's life easier, whether that's by saving them time, solving a problem faster, or helping them feel better about themselves.

The best entrepreneurs are often the ones who create solutions to problems they've personally faced.
