**SKYMONT**  
SCOUT RESERVATION

# THE JEFF LIGON MEMORIAL CUMBERLAND ADVENTURE

Cumberland Adventure is a sampler-style high adventure program for older Scouts that includes multiple activities such as hiking, fishing, range activities, aquatics, low COPE elements, and the climbing tower. The Cumberland Adventure is geared towards providing older Scouts an outdoor experience at Skymont that does not center around merit badges but allows them to explore and enjoy more remote portions of Skymont Scout Reservation and the surrounding area along the Cumberland Plateau.
