Our Grade 4 Pennant Flag Raising was a great day and was commented on as having a nice, relaxed atmosphere. It was the last ever Flag Raising for the South Coast District. The only District events coming up are minor championships and will go on as scheduled. We have not received advice regarding 2024/2025 Women's Pennants as yet, but this will come from Zone in due course.

Social Report – Moved L Dundas seconded V Brady

The major event has been the Grade 4 Flag Raising Celebration. It was decided we would cater for the event ourselves and the organising for this was quite a challenge.

We are very grateful for all the support from the ladies who set up the room, organised tables, washed cutlery and crockery (both before and after), and provided delicious slices and salads to complement the barbecue which was effectively run by Mike and Andrew. It certainly was a ‘team’ effort and thank you all for your help.

It was a very successful day!

Roster for April, May and June is now available.

Delegates Report – Moved K Jarvis seconded V Brady

The next Delegates meeting will be held on Monday 8th April at Bomaderry BC, 10.30am. President Elizabeth (Liz) will attend on behalf of Secretary Kerrie who will be away at that time.

Welfare Report – Moved D Page seconded L Dundas

Rang Judy Henderson and Trish Moy to see how they were going. Judy hasn't got back to me. Trish rang back. She has been in hospital due to a due to the treatment she had radiation pneumonia and is picking up slowly. Sent card to Carolyn Perry due to her sister-in-law passing. Kay Pope is picking up after her health problems.

General Business

- President Liz presented feedback regarding the Grade 4 Flag raising on 5 March. Everyone enjoyed themselves, both members and guests commenting on how relaxed our day was. The food was well received, a huge thanks to our cooks and members that contributed their sides and morning tea. A great job done by Ulladulla Cafe on our cake.
- A suggestion was made to provide a lounge in the ladies' old locker room in case of illness. This could be raised at the next board meeting.
- Committee discussed regular calendar events to be maintained when unification is finalised with the men's club.

Meeting closed at 1.45pm
