Stained Glass Window & Lighting Upgrade Project

Frequently Asked Questions

What's the latest update on the project?

The stained-glass company selected for the project informed us that the large window over the baptistry will be significantly heavier than the current plastic window. This is because the new design includes two panes of glass: the stained glass itself and a protective outer layer.

Because of the added weight, the committee has been advised to have this part of the structure reviewed by a structural engineer to ensure the foundation can safely support it. If needed, additional reinforcement will be added.

The stained-glass company will also be starting work on window design concepts soon. We hope to have those designs finalized within the next couple of months and look forward to sharing them with the parish once they're ready.

Can I donate a window in honor of my family or in memory of a loved one?

While donations are welcome and deeply appreciated, individual windows will not be recognized by donor name. Here's why:

- The window layout (a mix of large, small, and divided windows) doesn't allow for individual windows to be clearly identified or labeled.
- The overall design will be intentionally simple, reflecting both the mid-century style of the church and the vision of the original building committee.
- We also want to be mindful that parishioners give according to their means. Someone giving what they can may be contributing as sacrificially as someone able to provide a larger amount.

What's happening with the lighting upgrade?

We've asked our lighting consultant to begin reviewing the current lighting in the church and to provide recommendations to the Window and Lighting Committee.

How can I help move this project forward?

To continue this project, we ask every parishioner to prayerfully consider their financial support and submit their pledge card. Right now, we are in the research and planning phase. To move ahead, we need to be confident that the necessary funding is in place. There's no better time to move forward and take advantage of the long-term energy savings this project will provide.

THE ARCHDIOCESE
OF KANSAS CITY IN KANSAS

OFFICE OF ARCHBISHOP SHAWN MCKNIGHT, S.Th.D.

27 January 2026

Dear Brothers and Sisters in Christ,

With a grateful heart, I invite you to join me as we begin a new chapter in the life of our Archdiocese through this year's Archdiocesan Call to Share (ACTS).

This name reflects what I see so clearly in our local Church: our mission belongs to all of us. Rooted in the unchanging love of Christ, together we are called to renew our hearts, our Church, and our service to one another.

Through your participation in the Archdiocesan Call to Share, you help bring the love of Jesus to people throughout Northeast Kansas by supporting more than 40 Catholic offices, agencies, and ministries. By giving as one Church, we share responsibility for the services no parish could offer alone. Your gifts directly support these ministries helping each parish and our entire archdiocese becoming true centers of charity and sanctuaries of mercy.

Because of you, we can educate our young people, care for the vulnerable, walk with families, and proclaim the Good News in every corner of our Archdiocese. Over the next few weeks, you will learn more about the ministries supported through your generosity and how your gifts impact your parish.

You may learn more by visiting the ACTS website at <https://archkck.org/call-to-share/about-acts/>.

Please prayerfully consider making a gift to the Archdiocesan Call to Share. If you have already made your gift, thank you for your continued support. With gratitude for you, I am

Sincerely yours in Christ,

Most Reverend Shawn McKnight, S.Th.D.
Archbishop of Kansas City in Kansas

HFCS NEWSLETTER

Holy Family Catholic School February 06, 2026 Issue #21

What a joyful and faith-filled Catholic Schools Week!

Our hearts are full as we reflect on a week spent celebrating our Catholic identity, our school spirit, and the many blessings God has bestowed upon our community. From favorite sports teams, crazy clothes and hair, and western day, to prayerful and meaningful moments, each day was a beautiful expression of who we are as a Catholic school.

Our 8th grade students were blessed to attend the March for Life at TPAC, where they witnessed the importance of standing up for the dignity of all life. We were also uplifted by a wonderful concert by our own music teacher, Mr. Aspegren, who shared his talents in praise of God. Students deepened their faith through a Vocations lesson with our priests and sisters learning more about how God calls each of us to serve Him in unique ways.

We joyfully concluded the week with a special celebration honoring our grandparents. Their love, faith, prayers, and support are a treasured gift to our students and our entire school family. It was a beautiful reminder of the generations of faith that strengthen our community.

We are also proud to recognize our 2026 Spelling Bee winner, A'raiya Vasquez—congratulations on this wonderful achievement!

A heartfelt thank you to all who participated and helped make Catholic Schools Week so memorable. A special thank you to our dedicated volunteers who prepared a delicious breakfast for Grandparents Day—your generosity and servant hearts truly reflect Christ's love. We are so grateful for each of you.
